LCI DELIVERS FIRST AW169 TO ELITALIANA

11 October, 2016 – Lease Corporation International (LCI), the aviation division of the Libra Group, announces the delivery of the first Leonardo AW169 helicopter to Elitaliana SpA.

The AW169 is the first of three such aircraft that will be leased from LCI to support to support Elitaliana’s emergency medical services (EMS) and search and rescue (SAR) operations in Italy.

LCI is the launch customer for the AW169 and to date has now taken delivery of five of this type, which are now being deployed on a variety of missions including EMS, offshore support and utility/training. The lessor has substantial orders and commitments for additional AW169s which are delivering through the coming years.

Crispin Maunder, Executive Chairman of LCI, says: “We are pleased to be partnering with Elitaliana as they introduce the AW169 into service replacing their AW109 equipment.

“We see considerable demand for this versatile and innovative helicopter which offers a broad range of applications, and allows LCI to further expand its relationships with leading operators around the world”.

The Leonardo AW169 is a versatile, new generation twin twin-turbine light intermediate category helicopter, which can accommodate up to ten passengers. The AW169 is the first all new aircraft in its weight category to enter the market in more than 30 years, and is certified in accordance with EASA CS-29 / FAR Part 29 standards for performance and safety.

Prince Manfredo de Windisch-Graetz, President of Elitaliana, says: “It is fitting that Elitaliana is introducing the latest Leonardo helicopter type into operation out of our Rome base, providing enhanced EMS services within the Lazio region of Italy.

“We are delighted to be working with LCI Helicopters who have been extremely supportive to our requirements and we look forward to further developing our relationship over the coming years.”

LCI's helicopter division comprises a fleet of 90 helicopters delivered or on order or under management, including the market-leading Leonardo AW139, AW169 and AW189 helicopters and next-generation Airbus Helicopters' H175.
